The North Dakota Board of Massage Therapy (Board) is authorized pursuant to North Dakota Century Code (N.D.C.C.) ch. 43-25 to license and regulate the practice of massage therapy. The Board is authorized to deny, revoke, suspend, or place on probation the license of a massage therapist on the grounds set forth in N.D.C.C. § 43-25-10.

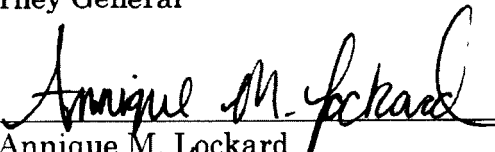

Judy Wanderi (Wanderi) is a massage therapist licensed by this Board in the State of North Dakota (License No. 601). The Board, after investigation, determined there was reasonable basis to believe that Wanderi failed to obtain the continuing education credits required by N.D.C.C. § 43-25-09. Through a letter to the Board, received on or about June 21, 2021, Wanderi informed the Board she completed only half of her required continuing education hours. The application for renewal of license signed and submitted by Wanderi, dated December 16, 2020, stated she had completed her required hours of continuing education in conformance with N.D.C.C. § 43-25-09 and waived her right to an administrative hearing and appeal pursuant

to N.D.C.C. ch. 28-32 and agreed that the Board could issue an order taking disciplinary action against her license if the Board concluded she did not comply with the N.D.C.C. § 43-25-09 requirements. On July 16, 2021, the Board voted to suspend Wanderi's license until she completes her required hours of continuing education.

IT IS ORDERED that Wanderi's license to practice massage is immediately suspended until satisfactory proof of all six required hours of continuing education are submitted to the Board.

Dated this 26th day of July, 2021.
